PACKED HOUSE SEES ATHLETES DO THEIR STUFF

A crowded house greeted the public opening of the North Saanich Service Club indoor athletic season on Wednesday, Nov. 16th. The local club was assisted by Mr. G. Spence Matthews and his boys from Victoria, all members of the British Health and Strength League. The program opened with a wrestling bout between Mascall and Matthews, who went three fast five-minute rounds to a no fall draw.

Bert Wheeler and Mr. A. Dakin, of the club, entertained with songs. Gardner and Davidson, Victoria, wrestled three four-minute rounds to a no fall draw. The action in the four five-minute rounds wrestling bout between Fenlon and Hopkins, Victoria, gave everyone a thrill, and resulted in a win for Fenlon with a two to one fall. Among the club wrestlers J. Lorenzen won by a fall in the first round over F. Lines, jr., and L. King held C. Sayers to a two fall draw in the two round contest.

A demonstration of physical development was staged under the direction of Mr. Spence Matthews by a group of Victoria boys and also local boys.

Bar work by junior and senior boys added much to the program. The junior boys were instructed by Mr. E. W. Hammond, those taking part being Roddy Hammond, Douglas Lawton, Charles Sansbury, Glen Harrison and Barry Hall. The senior boys' bar work was carried out by Bill Bosher, L. King, Art Gardner and C. Sayers, while a comic note was introduced by Tom Wylie and Roy Tuttle in costume.

Seventeen from the girls' athletic group gave a fine dumbbell display. This class is under the direction of Miss G. Partridge.

Mr. Spence Matthews as a clown gave a tumbling exhibition, assisted by his son.

Mr. Geo. McLea acted as accompanist throughout the evening for all vocal numbers.

Miss Molly Milton, who was to have given a display of solo dancing, was unable to be present owing to illness.

The evening closed with thanks to the entertainers, and to Mrs. Hammond for arranging the program. Afterwards the boys and girls served refreshments to the guests from Victoria.

LARGE CROWD AT MEMORIAL

GANGES, Nov. 23.—A large gathering attended the memorial service at the Cenotaph, Ganges, on Remembrance Day.

Led by the First Salt Spring Island 16th Canadian Scottish Battalion, in command of Lieut. Desmond Crofton, followed by the returned men under Captain M. F. Macintosh, M.C., Girl Guides with their captain, Mrs. Charlesworth, Scouts, Cubs and Brownies with their officers, assembled at the Agricultural grounds and marched to the War Memorial where the impressive service in memory of the Fallen was held. The hymn, "O God Our Help in Ages Past," was sung, followed by a short service, Rev. C. H. Popham, Rev. J. Westman, Rev. George Dean and Rev. George Aitken officiating. Three volleys were fired by the Canadian Scottish, and as the notes of the "Last Post" died away all heads were bowed in reverence in the two minutes' silence, which was followed by "Reveille." The service was brought to a close by the singing of "O Canada" and the National Anthem.

At the conclusion of the service beautiful wreaths of poppies were laid on the memorial by Captain M. F. Macintosh for the returned men, Mrs. W. E. Scott, regent I.O.O.F., also by representatives of the Girl Guides, Scouts, Brownies, Cubs and several other organizations.

IRA DILWORTH SPEAKS HERE

A meeting of the North Saanich Little Theatre Association was held on Tuesday evening, Nov. 15th, at the Chalet, Deep Cove.

During the regular business of the meeting a motion was passed that the association apply for membership in the British Drama League. Having disposed of all business matters, the president, Mr. C. Frame, introduced Mr. Ira Dilworth, of Victoria, the guest speaker of the evening.

Mr. Dilworth chose for his subject "Some Footnotes of Presentation of Plays During the Elizabethan Age." He traced the development of professional drama from the period of the travelling troupes of minstrels to the establishment in London of the first theatre in Europe. He closed the discussion by explaining, with illustrations, some of the conventions of the stage during Shakespeare's time.

The association was indeed fortunate to have had the opportunity of hearing such an address presented by a man who is an authority in this field of literature.

How to Treat 'The Flu'

CLIP THIS OUT

Influenza is prevalent in our area at this time. There are very definite and simple home treatment methods of combating it.

Through courtesy of The Vancouver Sun we publish Dr. McCoy's directions for dealing with this sickness. He has handled hundreds of cases and under the methods described relates that not a single patient has died.

In the interests of the public's health, we reproduce the articles below.

Clip them out for your own use if needed; discuss them with your neighbor, who possibly needs just the advice they contain.—Editor.

By DR. FRANK MCCOY

THE SYMPTOMS
Influenza is also called La Grippe and Catarrhal Fever. This disease is very contagious, and, if many cases occur in your community it is wise to avoid overcrowded and heated rooms. It is important to obtain plenty of sleep so that you do not become tired.

Influenza is characterized by many symptoms of a severe cold. The main danger lies in the fact that at the start of the attack it is difficult to tell whether the patient has a mild form, which is not especially harmful, or whether he has one of the serious forms which may be fatal.

Influenza can be a dangerous disease. If neglected it often leads to serious consequences. Often the heart is damaged, due to the poisons which circulate in the body during the disease.

Sometimes influenza becomes complicated with pneumonia, a particularly bad combination. "Flu" is usually followed by extreme weakness and depression which lasts long after the attack is over. One attack does not prevent future attacks; in fact the patient seems to be more susceptible.

There are three main forms with slightly different symptoms, although all of them are characterized by abnormal weakness and exhaustion. The general symptoms follow an incubation period of two to four days. Then the patient is suddenly ill with fever, aching all over the body, dizziness, coated tongue, perhaps nausea, a burning headache, pains in the eyes, chills, nervousness, depression and broken sleep.

In the respiratory form there is a running at the nose, sneezing, sore throat, tonsillitis, enlarged neck glands and a hard cough which does not seem to raise anything, the cough being worse at night. In a few days the chest is tender, breathing difficult, and a thick mucous is raised by coughing. There is a rapid heart beat and a fever ranging from 100 to 105 degrees.

In the nervous form the "head" symptoms may be absent, but a headache is present, together with pain and aching through the back, and the nervous depletion is extreme.

In the digestive form in addition to the fever there may be intense nausea, vomiting, pains in the abdomen and diarrhea.

Many Children Enjoy Fine Lantern Pictures

By Review Representative
GANGES, Nov. 23.—There was a large attendance at the very interesting illustrated address for children on Monday evening, Nov. 14th, when Mr. Jack Borradaile, of Mayne Island, showed some of his exceptionally good lantern slides at the Edge-wood Tea Rooms, Ganges, depicting the "Life of Joseph," and other pictures. He was kindly assisted by Mrs. V. C. Best, who described each picture to the audience as they were thrown on the screen. At the conclusion of the evening's entertainment some naval ships were shown. Captain F. H. Walter, R.N., gave a short talk on the Navy.

LOGGING CAMP HAS HOOK-UP BY RADIOPHONE

For the first time in British Columbia, an almost isolated logging outfit has been given long-distance service by means of a radio hook-up which links it with the long-distance system of the B.C. Telephone Company.

This service is now being given to the floating logging camp of Earle & Brown Timber Company, Ltd., anchored against the shore of Clayton Bay, off Grappler Sound, about 200 miles up the coast from Vancouver.

The voice leaps by radio across a 100-mile gap to Campbell River, Vancouver Island, here connection is made with the B.C. Telephone's long-distance network. The service was established as the result of experiments by the Northwest Telephone Company, an associate of the B.C. Telephone Company. The equipment at Clayton Bay has been supplied by the Canadian Marconi Company.

Radiotelephone equipment is installed in the floating office at Clayton Bay. It enables the camp to carry on ordinary telephone conversation with the logging company's Vancouver office.

A striking example of the value of the new service occurred recently when the main drum of a donkey engine pulled out. By means of the telephone it was possible to order repair parts quickly, and week's time was saved in getting the machinery back in service again. To get a mail reply to a letter sent from Vancouver to Clayton Bay takes 12 days because the weekly steamer does not stop there long enough to enable letters to be answered by return boat.

ISLAND REAL ESTATE MOVING

By Review Representative
GANGES, Nov. 23.—A lot of real estate on Salt Spring Island has changed hands within the past year, due, no doubt, to the fact that the island is becoming better known and to the excellent ferry service supplied by the "Cy Peck" between Fulford Harbour and Swartz Bay.

The big subdivision north of Ganges, known as "Fruitvale," has had its share of sales. N. W. Wilson has purchased two five-acre lots adjoining his property at Wellbury Bay; one five-acre lot has been purchased by Frank Morrison of Vancouver, who is building a house there. Lot No. 1, being part of the old orchard at Fruitvale, has been purchased by E. Parsons, who intends building a cottage shortly. The subdivision is well situated and other sales are expected soon.

Miss Frampton has purchased the cottage and four acres adjoining her boarding house at Vesuvius Bay and has made many improvements, including preparations for a tennis court. K. Butterfield has purchased a lot at Vesuvius also and is expecting to build a house there shortly. Adjoining his property W. E. Ward, recently connected with the C.P.R. offices in Vancouver, has acquired a site.

The cottage property formerly owned by L. Chaplin has been acquired by E. R. Harrison of Vancouver.

At Fernwood the property of J. Redman, about 80 acres, has been purchased by Mr. Hicks of New Westminster.

South of Booth Canal, Mr. Rankin has purchased about 10 acres, where he proposes building a home. Mr. Versey's place on the Lizard subdivision has been sold to W. Norton.

The park belongs to the residents of North Saanich regardless of age, creed or sex and you can assist in the maintenance and upkeep of the park by giving your support to all endeavors staged by the directors to raise funds for the purpose. Much work and care has been given to getting the park in the condition we now see it and there is still more to be done to make it a true memorial to the name of the park. The directors have outlined a program of further improvement and hope to be able to carry it out as planned.

Business was slack, and a certain Vancouver plumber, thinking to economize, decided he could get along without a telephone.
Some time later he met an acquaintance who said:
"I had a plumbing job I was going to give you; it would have paid you \$800. But I couldn't reach you by telephone, so I had to give the work to someone else."
The man with a telephone has the best chance of getting business.

EDUCATIONAL WEEK "NOW"

This is Educational Week and is sponsored by the Department of Education, B.C. Trustees' Association, the B.C. Parent-Teacher Federation and the B.C. Teachers' Federation. Its purpose is to acquaint the general public with some of the objectives, achievements and possibilities of schools throughout British Columbia. This follows in line with other progressive countries and Canadian provinces, where it has become an established thing and is now taken up by our province.

Attend Anniversary Celebrations in City

Rev. Thos. and Mrs. Keyworth, with their family, attended the 50th anniversary in connection with the 50th anniversary of the birthday of Mrs. Keyworth's mother, Mrs. Thomas Hughes, which took place at the home of her youngest daughter, Mrs. A. Chesworth, Simcoe Street, Victoria, on Monday, Nov. 21st. A complete re-union of the surviving members of the family, together with grandchildren and one great grandchild, was held at the dinner hour.

Afterwards a steady stream of well wishers visited the home until a late hour in the evening, addressing congratulations and felicitations, while telegrams came from a distance. Mrs. Hughes was born in Paisley, Scotland, in the year 1852, and has one son and three daughters living in Victoria and Mrs. Keyworth of local residence.

Children's Service

By Review Representative
MAYNE ISLAND, Nov. 23. — There was a special service for the children on Sunday, being the commencement of Educational Week. Rev. R. D. Porter spoke very appropriately, first to the grown-ups, then to the teacher and lastly and principally to the children, who also joined heartily in singing the hymns.

PENDER ENJOYS FINE PROGRAM

By Review Representative
PENDER ISLAND, Nov. 23. — A splendid variety program was presented by members of the Women's Institute to a capacity audience in Hope Bay Hall on Friday evening, the proceeds being in aid of the piano fund.

Instrumental selections by the "Pender Island Sinkphunny Orchestra," composed of twelve strikingly uniformed ladies, under the leadership of Mrs. S. P. Corbett, drew forth rounds of hearty applause following each of their three appearances.

Two very fine vocal solos, "Blow, Blow, Thou Winter Wind," and "The Floral Dance," were rendered by Mr. H. J. Cromie. Mrs. Hector McNeill gave two humorous readings, and instrumental selections were given by W. B. Johnston, piano, and Callum MacDonald, saxophone. A character song entitled "A Bird In Hand," was sung by Mesdames Johnston, Cromie and Menzies. Following a short intermission a humorous two-part sketch, "The Best Man," was presented, those included in the cast being Mr. and Mrs. A. E. McLean, Mrs. F. Moore, the Misses Hand and Dickinson, and Steve Adams and Don Dobie.

The National Anthem closed the program, Mr. W. B. Johnston acting as accompanist throughout, and Rev. W. A. Alexander officiating as chairman.

Refreshments were served by the ladies, and the floor was then cleared for dancing, which was enjoyed for several hours, A. E. McLean, Callum MacDonald and Ken Jalliffe providing the music.

MRS. MOORHOUSE IS RE-ELECTED

By Review Representative
GANGES, Nov. 23. — On Friday afternoon the Salt Spring Branch of the Women's Auxiliary held their annual meeting in the club room, Ganges, the president, Mrs. Moorhouse, in the chair and nine members present.

After a short business meeting Mrs. Moorhouse vacated the chair, which was taken by Rev. C. H. Popham, who proceeded with the election of officers. Mrs. Moorhouse was unanimously re-elected; Mrs. D. Simson, vice-president; Mrs. H. Johnson, secretary; Mrs. G. B. Young, treasurer, and Mrs. H. A. Robinson, thankoffering secretary.

A further sum of \$15.00 was donated to the church wardens for the parish fund.

A very hearty vote of thanks was tendered to the president for her work in raising \$14.00 for the Columbia West Coast Mission Christmas cheer fund.

The court whist drive which the Women's Auxiliary had arranged to take place on Nov. 20th was postponed until early in the new year owing to so many other social events taking place in the near future.

The tea hostesses were Mrs. F. Wagg and Mrs. H. A. Robinson.

Interesting Subject At Y.P.S. Meeting

Dealing with the subject "Wherein Does Our Present Civilization Fail To Be Christian?" Rev. T. M. Hughes addressed the meeting of the Y.P.S. on Monday evening.

Taking the subject from the attitude to war, the misdirection of knowledge, the use of prohibition, the state of industry, the great failure to live up to the standard set by Jesus Christ and many other aspects, the talk proved highly interesting to the young people.

Considerable discussion and questions pertaining to the topic followed and a very hearty vote of appreciation was extended to the guest speaker.

A short business session followed. An invitation was received from the James Bay Young People asking the society to be their guests on Nov. 25th (next Monday). The group is asked to meet at Wesley Hall at 6:45 to make the trip. Parents' night, which was arranged for this date, has been postponed till the first of the new year.

Further arrangements were made regarding the lantern lecture for Monday, Dec. 5th.

LOCAL NOTES AND PERSONALS

The C.G.I.T. group held their usual meeting on Saturday in Wesley Hall. The girls were entertained for about half an hour with lantern slides, after which work was continued on articles for sale at their Christmas bazaar to be held early in December.

The "Flu" has struck the people of Sidney and North Saanich and many citizens are suffering with what is the most severe epidemic for many years. A number of businesses have also been severely handicapped through employees and proprietors being unable to be an hand to carry on. A great many children are out of school and teachers in some cases have also been obliged to give in and take a day or two off. However it is hoped the epidemic will soon pass and that no one will suffer any ill after effects.

Major Oliver Wheeler, son of Mr. A. O. Wheeler, accompanied by his wife and young son, has arrived from Luetta, Baluchistan, India, for an extended visit with Mr. and Mrs. A. O. Wheeler here. Major Wheeler has been attached to the military garrison at Luetta on the India frontier and his branch has to do with surveys. Major Wheeler and family motored from Montreal via Toronto, Kansas City, Oklahoma, New Mexico, Salt Lake City, Portland and Seattle.

The Holy Trinity and Saint Andrew's Branch of the Women's Auxiliary will meet at "Harwood," the home of Mrs. W. H. Belson, at 2:30 on Tuesday, December 6th, instead of Wednesday, the 7th.

Miss Laura Lane is substituting at the North Saanich School for Miss Annie Lorenzen, who is away with an attack of the flu.

School children will no doubt be pleased to hear that in all probability they will have 17 days' vacation at Christmas. This is brought about by the fact that both Christmas and New Year's Days fall on Sunday, extending the annual vacation to a much longer period than it has been for many years. No definite announcement has yet been made, but regulations provide for Christmas holidays starting on the third Friday of December, this being this year on Dec. 16, and no re-opening till Tuesday, Jan. 3rd.

Mr. J. Moulard, who has been in business in Vancouver during the past couple of years, returned to his home, Marine Drive, last week.

Miss Dora Thornley, Queen's Avenue, is enjoying a couple of weeks' holiday. She spent several days in Vancouver and is now a guest of Mrs. A. Lord, Galiano Island.

For Educational Week the North Saanich School will be open to the public after 1 o'clock, and the Sidney School will be open between 2 and 3 o'clock in the afternoon of Thursday, Nov. 24th. You are cordially invited to attend.

The monthly meeting of the Guide and Brownie Association will take place on Tuesday, Nov. 29th, at 2:30 p.m., in the Guide and Scout Hall, Sidney.
